

Vermeer's Is Turning 50, Come Celebrate with Us!

Wow, Fifty years! This calls for a celebration! It's quite an accomplishment and privilege to be in business serving our community for 50 years. On reaching this milestone, I am thankful for so many things.

First of all, thanks to all our customers. You have supported us over the years and you have become much more than just a customer! To me and my family, you are friends.

Second, thanks to our staff. We would not be celebrating this anniversary if it weren't for them. Many have come and gone, and some have stayed! You are family.

Third, thanks to my family. Many sacrifices have been made over the years...thanks Mom, for all you have done! I know Dad would have been proud to see where we are today. He was the one who empowered us to take Vermeer's and make it the best it could be (even though 4

of his five children were girls!)

Above all thanks to God, for his faithfulness to our family over the years.

I invite all of you to come and celebrate this Saturday. We will have lots of memorabilia (Mom will be here so if you are one of our original customers, be sure to say hi!), a draw for a shopping spree of \$500, specials in each department, free hot dogs, and of course, cake!

Victoria Day Weekend Hours!

Friday May 20th

8am - 8pm

Saturday May 21st

8am - 6pm

Monday May 23rd

8am - 6pm

Saturday @ 10am Container Gardening with Karin

Bring some colour into your life with container design ideas from Karin Vermeer. Always on

the lookout for the latest colours, styles, plants and trends - Karin's inspirational seminar will have you designing planters for your porch that will have your neighbours, friends and relatives in awe.
